Featured Event

## HARD TO RECYCLE ROUND UP!!

An Eco-Cycle grant has made it possible for the City to offer the Hard to Recycle Round Up event in 2014. Electronics, small plastic appliances, #6 white block Styrofoam, plastic bags and more! will be collected for a fee.

**May 17th & October 4th**  
9 am - 1 pm

City Service Center  
1700 Avalon Ave.  
Lafayette

Please visit <http://ecocycle.org/charm#guidelines> for fees and a list of materials accepted

Lafayette Public Works annual Electronic Recycling program that will resume in 2015.

**For after hours or weekend emergencies call 303-441-4444**

### Water Conservation

The City of Lafayette has a permanent water conservation ordinance.

It was put in place to protect the City's water resources regardless of drought conditions.

Fines will be assessed to water customers disregarding the permanent water conservation ordinance.

Visit [www.cityoflafayette.com/publicworks](http://www.cityoflafayette.com/publicworks) for more information.

#### Permanent Water Conservation Regulations

- ◆ No watering of outdoor landscaping between the hours of **10 AM and 6PM** except - If watering by hand with a hose equipped with an automatic shut-off valve
- ◆ Excessive overrun of water onto any area not covered by vegetation such as sidewalks, curbs, driveways, streets and other paved areas is prohibited
- ◆ Washing down paved areas such as driveways with a hose is not allowed

### Stormwater

When performing landscape maintenance, please protect our local creeks.

✂ Keep leaves and grass clippings away from streets, storm drains and drainageways.

✂ Blowing leaves and grass clippings into the gutter and/or storm drains can clog storm pipes and cause flooding.

✂ Although leaves and grass clippings are biodegradable, the process of decomposing robs oxygen from the water. These added nutrients feed our water bodies and contribute to harmful algae blooms which kill fish.

***It is against the law to blow, store or dispose of any yard waste in the street. Fines will be assessed.***

Share this information with your hired landscapers!!

Help Public Works keep water flowing by properly managing your yard waste

Public Works is located at City Hall  
1290 S Public Rd., on the 2nd floor.  
303-665-5588 x3328 or x3701

Programs

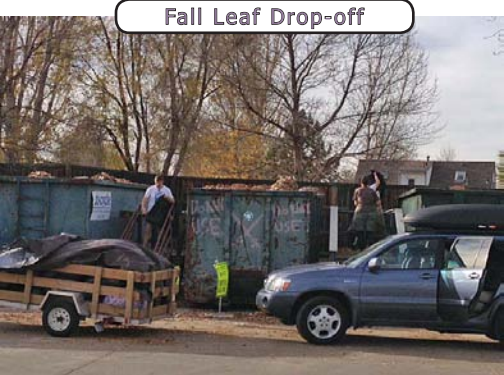

The Public Works department offers several programs throughout the year. Many programs are seasonal so visit [www.cityoflafayette.com/publicworks](http://www.cityoflafayette.com/publicworks) for dates and more information.

Electronic Recycle Event

Spring Clean-up

Fall Leaf Drop-off

Spring Clean-up (FREE)

In April or May we offer curbside collection of yard waste and tree branches only. Materials must be in compostable bags.

Visit [www.cityoflafayette.com/springcleanup](http://www.cityoflafayette.com/springcleanup) for dates and guidelines of program.

Electronic Recycling Collection Event (LOW COST)

Starting in 2015 the Service Center will be open every January and September for the collection of e-waste materials. There is a low cost for residents to drop off unwanted items. See website for a list of acceptable items, fees and dates.

Toilet Rebate Program

Fall Leaf Drop-off (FREE)

The Service Center is open October thru November to the public for the drop off of leaves and pumpkins. Visit website for dates and times.

Toilet Rebate Program

Residential and commercial water customers can replace up to 3 pre-1994 toilet (3 gallons per flush (gpf) or more) with a 1.28 gpf EPA WaterSense labeled toilet can receive an \$80 rebate per toilet.

For an application form and guidelines visit [www.cityoflafayette.com/toiletrebate](http://www.cityoflafayette.com/toiletrebate) or pick one up at City Hall, Public Works Department, 2nd floor.

Christmas Tree Recycling (FREE)

A Christmas tree recycling program is available December thru January at the City Service Center.

Visit [www.cityoflafayette.com/parks](http://www.cityoflafayette.com/parks) for specific dates and location.

Christmas Tree Recycle

Mulch Give-Away\*\*

Free mulch is available to Lafayette residents in the Spring and Fall. Staff is available on site to assist with loading. Visit [www.cityoflafayette.com/publicworks](http://www.cityoflafayette.com/publicworks) for dates.

**\*\*Due to the federal Emerald Ash Borer (EAB) quarantine in Boulder County, the City's annual mulch program will not be offered in 2014.**

Adopt-A-Road

This program is open to anyone interested in creating a cleaner more enjoyable environment. Visit [www.cityoflafayette.com/publicworks](http://www.cityoflafayette.com/publicworks) for details on how to get involved!

Going Green!

Public Works also partners with the Center for ReSource Conservation (CRC) to offer the following programs to Lafayette residents:

Water-Wise Landscape Seminars

Every April, FREE xeriscape landscape seminars are offered to our residents. For more information visit [www.cityoflafayette.com/publicworks](http://www.cityoflafayette.com/publicworks) or call 303-999-3820 to sign up.

Slow the Flow Indoors

Free indoor water check-up! Receive a free leak audit and customized report. Residents are also eligible for free low-flow shower heads and faucet aerator installation. For more information visit [www.cityoflafayette.com/publicworks](http://www.cityoflafayette.com/publicworks) or call 303-999-3824 to schedule an appointment.

Slow the Flow Colorado

Free sprinkler inspections! Receive a customized watering schedule and learn practical do-it-yourself sprinkler maintenance. For more information visit [www.cityoflafayette.com/publicworks](http://www.cityoflafayette.com/publicworks) or call 303-999-3824 to schedule an appointment.

Garden in-a-box
